

# Domestic Switchgear

List Price  
w.e.f. 15<sup>th</sup> November 2018

# CORPORATE OFFICE

STANDARD is a key brand of Havells India Ltd., India's leading FMEG Company that offers a wide range of highly differentiated Domestic & Industrial Switchgear products and Domestic Cables. The brand has been serving the Indian customers for over five decades and has built a formidable reputation with its high quality products in the domestic as well as international markets. The brand holds special connect with the nation's youth as it offers trendy designs and vibrant colours. The leading Bollywood actor, Ms Alia Bhat is the brand ambassador for Standard as she symbolises "Youthful Energy and Exuberance."

Standard offers products such as MCBs, RCCBs, Distribution Boards (DBs), MCCBs, RCBs Changeover Switches, Switch Disconnect Fuses (SDFs), HBC Fuses, Modular Switches, Copper Flexible Cables etc. In 2014-15, STANDARD marked its entry into consumer product category with the launch of premium range of Fans. Today, STANDARD boasts of a comprehensive range of ceiling, table, wall-mounted, pedestal fans and domestic exhaust fans. As part of its strategy to expand bouquet of products, STANDARD Has entered into water heater segment during FY17-18 as planned and plan to make foray into other segments soon.

## ABOUT STANDARD

STANDARD has a well-entrenched marketing and distribution network in the country with over 42 branch offices, 2000 authorized dealers, 30 Exclusive Brand Stores, and 10,000 strong retail outlets. The company also has a wide presence in International markets including SAARC Countries, Middle East, South East Asian countries, Malaysia, Singapore, South Africa, Kenya, Ghana, and Nigeria.

Standard has comprehensive infrastructure with state of the art facilities including plant, machinery and testing. STANDARD products are manufactured at the most modern plants located in different parts of the country such as Haridwar, Baddi, Sahibabad, Neemrana, Faridabad and Alwar. All STANDARD products are designed in adherence to Indian & International specifications and tested by nationally accredited laboratories CPRI/ERDA.

A strong R&D is in Standard's DNA as it constantly innovates and improves to deliver world-class products. Its R&D centers are equipped with supreme quality CAD/CAM machines for its entire stage of design and development. The R&D team continuously works to create new products with high reliability and safety that satisfactorily cater to the ever-changing demands of various segments of customers. All its products are manufactured with the capacity to carry 10% higher current and can withstand abrupt jump in temperatures even during severe overloading conditions. It offers best in class safety features along with better performance during low voltage conditions as well. STANDARD's entire product range offers high performance, best design and superior features like energy savings, longer life and shock proof to name a few.

With its mission to offer quality products, efficient customer service and everlasting relationship with partners, STANDARD holds unbeatable advantages like expertise in LT Switchgear since last four decades, technology leadership, excellent brand perception, wide dealer network, excellent after sales service and value for money to its customers.

Today, STANDARD FANS are also carving a niche in the highly competitive and fragmented market of fans with some of the best designs and features that backed by latest technology. The entire range comes with a 2 year guarantee backed by best-in-class after sales support.

The R & D and Business Development Teams at STANDARD are now working on many new product categories which would be unveiled soon.

# CONTENTS

## SWITCHGEAR PRODUCTS

Miniature Circuit Breaker (MCB)	06
MCB Changeover Switch	07
MCB Isolator	07
Residual Current Circuit Breakers (RCCB)	07
Residual Current Circuit Breaker with Overload & Short Circuit Protection (RCBO)	07

### ASPIDA New Switchgear Range

Safety sliding shutters

Two position  
DIN rail clamp

Breathing  
channels

Large terminal  
capacity

## MCB

## ASPIDA MINIATURE CIRCUIT BREAKERS

240 V / 415 V, 50 Hz, BREAKING CAPACITY 10 kA, (CONFORMS TO IS / IEC 60898-1)
